FREE THE MINNESOTA 15!

MOVIE SCREENING:

WHEN ICE MELTS

THURSDAY, OCTOBER 29 @ 6:30PM
BERKELEY CITY COLLEGE AUDITORIUM

Basement Level, 2050 Center Street

The Minnesota (MN15) are 15 people who face 3 to 6 years in Federal prison, for their participation with tens of thousands of other people in resisting the occupation of Minneapolis by 4000 ICE and other Federal forces. They showed that it is possible and necessary for us to defend ourselves. No one else will. This video presents that story and shows why we must organize ourselves now, to free the MN15 and prepare to defend ourselves.

Who are the Minnesotals?

The Minnesotals (MN15) are people who have been active in their communities and unions. Like tens of thousands of residents of the Twin Cities, they responded to the massive invasion and occupation by ICE forces.

Four months after most ICE forces had been withdrawn from the area, federal forces conducted raids on the homes of those charged with obstructing ICE operations.

They face between 3 and 6 years in federal prison, if convicted. ICE killers go free and community defenders are imprisoned! We cannot allow this to happen!

They Are Us

We must do everything we can to make people aware of this. The federal government presents them as terrorists when, in fact, it is government forces that are carrying out terrorist attacks.

Who are the MN15? 3 healthcare workers, 2 public school teachers, 2 electricians, 2 welders, 1 college professor, 1 carpenter, 1 state employee (MN DNR), 1 artist, and 1 travelling olive salesman.

There are other less-known cases around the country. And more people are being arrested. No one is safe, unless we stand together and protect each other.

An Injury to One is an Injury to All!
