

The 2020 Elections: What's at Stake? What Are Our Choices?

The problems that Trump exacerbated have existed long before him, under both Democrats and Republicans. Campaigns make big promises and sell the idea of change, but how do we get the changes we need?

We must begin to organize ourselves in order to address the issues facing us today and win the world we deserve.

Join us online for a presentation and discussion!

Saturday, March 21st at 4 p.m.

Join virtually through Zoom:
