

IMMIGRANTS ARE WELCOME HERE

Speak Out Socialists Town Hall

SUNDAY, FEBRUARY 2 @ 7PM

**People's Solidarity Hub
1805 Chapel Hill Rd, Durham**

Trump has promised the mass deportation of 11 million people immediately upon taking office. We have to do everything we can to organize and stand against this assault on our families, friends, and neighbors.

Join us for an online discussion with **Aviva Chomsky**, followed by an in-person discussion to share our perspectives on what we can do.

Dr. Chomsky has studied the current and past attacks on immigrants in the U.S. She is a professor of history and coordinator of Latin American studies at Salem State University and author of many books on immigration.

**Doors open @ 6:30pm
\$5 donation
