

OPPOSE ISRAEL'S WAR ON PALESTINIANS

Israel's genocidal attack on Gaza is taking place with the complete support of the United States government. We cannot remain silent while this horrific assault is being carried out in our name. We must do everything we can to demonstrate our opposition to it.

Come discuss Israel's war on the Palestinians, the role of U.S. imperialism in the region, and the need to organize our forces to oppose this.

Wednesday, Nov. 1 at 7pm

NoMüNoMü 709 N Howard St, Baltimore
