

Reform vs. Revolution

- *How Do We Build A Revolutionary Organization In The Working Class*
- *How Do We Link Contemporary Struggles and Campaigns to the Working Class*

We have seen responses to the violent attacks of capitalism. Resistance to police murders, ecological catastrophe, and other struggles – for the most part, these efforts have remained disconnected from the working class. These fights must be connected to the power of the working class in order to transform these struggles and the society.
